

Charitable Contributions

In response to our [December 2010 Food for Thought](#) mailing the following LogiStyle colleagues offered to make the indicated charitable contributions, for which LogiStyle matched the indicated amounts.

Below is an email from Sherry Krockey Wolf from the Little City Foundation, to Ed Thill of Performance Trust (one of the 8 individuals to participate), confirming receipt of the donation. We thought we would share it with you. Many thanks to Ed Thill and all of the other individuals who participated in this holiday tradition!

Dear Mr. Thill:

I am writing to inform you that a generous gift was made in your honor to Little City Foundation by LogiStyle. This contribution was made through LogiStyle's matching gift program to express holiday wishes. Since 2007, and, under the direction of their president, Balaji Krishnamurthy, LogiStyle has been matching charitable contributions by those who receive their "Food for Thought" mailing. This thoughtful program was developed to avoid the high expense of sending holiday cards and to direct this cost by making charitable donations. In turn, we were asked to notify you of this special gift via email.

For more than 50 years, Little City has relied on the kindness of the community to support and empower the individuals we serve. This gift helps ensure that we can continue to strengthen our innovative programs and services and maintain a high quality-of-life for most vulnerable community members.

On behalf of Little City Foundation, we wish you a wonderful holiday season.

With much appreciation,

Sherry Krockey Wolf
